WE'RE ALL ABOUT THE RANGE

CENTURION GARAGE DOORS

FINGERSAFE® SECTIONAL DOOR RANGE

Centurion Garage Doors is an Australian owned family business that has specialised in the manufacture of Garage Doors since 1976. With manufacturing facilities in Western Australia and Queensland, Centurion custom makes all doors to fit precisely to each garage opening.

Centurion only uses genuine Colorbond® steel to ensure you get a look that lasts. Centurion's Sectional Overhead Doors feature innovative Fingersafe® design and Centurion's exclusive Nylon Polymer Hinge designed to ensure a safer, quieter, low-maintenance door.

The COLORBOND® steel colour swatches and images shown have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing, as varying light conditions and limitations of the printing process may affect colour tones. To detemine the most suitable material for your project, please contact Centurion Garage Doors or an authorised Centurion Garage Doors representative in your area.
